Quality

CIO-SP3 Contract Holders have gone through a rigorous source selection process prior to award, ensuring the pool of contractors are the best-of-the-best, resulting in significant savings in time, money and resources.

Ease

Submitting your RFP is as easy as a click of a button. Simply upload the RFP, RFI, Sources Sought or Special Notice into our secure, web-based electronic-Government Ordering System (e-GOS) for automated task order competition, management, awardee selection and notification.

Value

Ceiling rates are negotiated at the Master Contract level ensuring that your agency is already starting with the most cost competitive rates. And, with competition, they may get even lower.

Speed

With a \$20 billion ceiling, flexible contract types and the ability to award in modular increments and incorporate performance-based features, CIO-SP3 offers streamlined ordering and processing, saving agencies both time and money.

The Chief Information Officer – Solutions and Partners 3 (CIO-SP3) is a ten-year Indefinite Delivery/Indefinite Quantity (IDIQ) Government-Wide Acquisition Contract (GWAC) for information technology (IT) services and solutions. CIO-SP3 provides IT services, for both commercial and non-commercial items, across ten task areas and uses NITAAC's streamlined ordering procedures giving government buyers unprecedented access to the IT services and solutions needed today, for mission success tomorrow.
